

## **Mychal's/ESMoA Internship Program**

The Mychal's/ESMoA Internship Program is a seven-month long internship opportunity that collaborates with individuals with developmental delays from Mychal's Learning Place "Path to Independence" Adult Day program. This unique internship gives exposure to the inner-workings of the art laboratory, as Interns work closely with ESMoA Education Specialists. Interns greet students and distribute art materials, conduct research about artwork currently on view for ESMoA Experiences, construct a visual arts portfolio, visit arts and cultural institutions in and around Los Angeles, and acquire skills to co-facilitate a gallery discussion with school groups about an artwork. At the conclusion of their internship, Mychal's/ESMoA Interns receive a Certificate of Completion and a letter of reference which they can use for employment opportunities.
